WEDDING VIDEOGRAPHY

ABOUT PARK MULTIMEDIA

Your special day...is crazy, hectic and goes by like a blur! That's where we come in. The folks at Park have been shooting weddings around the country for almost a decade and we know our stuff! Large or small; traditional to crazy, we've seen and done it. Let us capture your special day so that the memories can be preserved forever and you can spend the day with one less worry!

WEDDING PACKAGES

All packages are shot with professional HD cameras and include hand-picked licensed music to match the personality of each couple. We use professional microphones to capture vows and other intimate moments with clarity so you never miss a moment of your special day.
